

Veri-Cam Video Package Overview

Overview of Veri-Cam:

The intent of the Veri-Cam is to offer a video capture solution for people in law enforcement, fire, insurance or any individual or profession that wants to capture high quality HD concealed video and audio via the use of a clipboard. To add versatility the camera can also be used as a dashcam, or to capture video inside of the vehicle; or with use of the hat clip (or alike), can be used as body worn hands free recorder.

The unique magnet mounting system allows the camera to be the most versatile on the market; allowing the camera to be quickly and easily moved from one application to another while offering a very strong, secure mounting solution.

No other camera solution on the market will offer the high quality video & audio, along with the versatility, at such an affordable cost!

P.E.D. Products offers full support to our customers along with a high quality product. Please contact us for more product information and dealer pricing. Also feel free to contact us for your custom applications.
