

ClipBoard Veri-Cam Video Package Overview

Overview of ClipBoard Veri-Cam:

The intent of the Veri-Cam is to offer a video capture solution for people in law enforcement, fire, insurance or any individual or profession that wants to capture high quality HD concealed video and audio via the use of a clipboard.

The standard package with the 2600mah extender battery allows for 7+ hrs of HD video/audio recording, while the 13000mah extender battery option provides over 22+ of HD video/audio. Great for those extended work days or long interviews/interrogations.

The unique magnet mounting system allows the camera to be easily removed for other applications. The clipboard is a heavy duty clamshell design with internal storage on the inside; a paper clamp on the outside, and a rotatable spring pen holder.

P.E.D. Products offers full support to our customers along with a high quality product. Please contact us for more product information and dealer pricing. Also feel free to contact us for your custom applications.
